

NIXALITE®

HD DRYER VENT GUARD

Heavy Duty (HD) Dryer Vent Guards stop birds, squirrels, and other pests from living in your dryer exhaust vents.

Clogged vents can cause dryers to take much longer to dry, wasting time, energy and money. These clogged vents can also cause dryer or house fires when the debris becomes too hot.

Nixalite® HD Dryer Vent Guards are constructed of heavy duty PVC coated steel that is far more durable and effective than plastic or thin metal guards.

These guards are effective in deterring birds and rodents from getting into your vents. The HD Dryer Vent Guard's design makes it clog resistant but also easy to clean!

The HD Dryer Vent Guards install over 3" or 4" dryer/bathroom vents and measure 7"x7"x5".

The guards are available in 3 colors: white, brown, and grey.
