

Nixalite® Safety Equipment

Nixalite offers basic safety equipment to protect personnel from the hazards associated with bird, animal and mold remediation projects. We also offer the solutions used to sanitize and deodorize surfaces, areas and objects.

Respiratory Protection

Half-face Respirator Mask - The 3M® 6000 series half-face respirator protects you from particulates, gases and vapors. Available in medium and large sizes. Use with 2 NIOSH approved filters such as the P-100.

P-100 Particulate Filters - Use with 6000 series half and full face respirators. Sold in packs of 2 filters. P100 filters are NIOSH approved in environments containing certain oil and non-oil based particles.

Item #	Description
GS6200	3M 6000 series half mask respirator - medium
GS6300	3M 6000 series half mask respirator - large
GS2091	3M P100 2-pack NIOSH particulate filters

Protect Hands & Eyes

Disposable Gloves - Nighthawk 'stealth black' nitrile gloves are powder and accelerator free. 4-mils thick, 9.5" long with textured fingertips for superior feel and grip. Sold in 50 count dispenser boxes.

Splash Goggles - Chemical splash goggles feature anti-fog coating and indirect venting. Meets ANSI Z87.1 standards for design and protection. Wear whenever and wherever eye injury could occur.

Item #	Description
GSMD7700	Medium Nighthawk nitrile gloves 50 ct box
GSLG7700	Large Nighthawk nitrile gloves 50 ct box
GS2235	Splash proof goggles w/anti-fog and venting
