

Product highlights

- ✓ Effective treatment of all rooms
- ✓ Versatile use
- ✓ Feeding directly from any container
- ✓ Requires no power supply
- ✓ Simple operation
- ✓ Very fine and narrow drop spectrum
- ✓ Low noise emission

Finest fog without electricity

The fogger is a compact and powerful device that feeding the active ingredient directly from the customer's container. Only a compressed air supply is required for operation. The frame and the nozzles are made of high-quality stainless steel.

Thanks to its compact design, the CF1-BM is a highly versatile unit, which can either be mounted stationary on the wall or carried or driven mobile.

It is ideally suited for the following fields of application: Pest control, horticulture, stock protection, disinfection and especially for potato sprout control.

The CF 1-BM has two nozzles. If required the second nozzle can be switched off. Several units can easily be connected in series. It has an ON / OFF switch and can be extended with automatic control.

Technical Data

CF 1-BM

Dimensions (LxWxH)	16.1 x 13.0 x 20.5 inches
Weight	18.3 lbs
Active substance Container size]	5.28 U.S. gallons
Diameter of dosage nozzle	1.1 mm (0.0433 in)
Output quantity for water dosage nozzle 1,1 mm at 3 bars	Up to 2.11 U.S. gal/hr
Values valid for fogging with water Droplet spectrum	
Droplet size at 4 bar, nozzle 0.6	0.276 mil
Droplet size at 3 bar, nozzle 0.6	0.354 mil
Droplet size at 2 bar, nozzle 0.6	0.472 mil
Droplet size at 4 bar, nozzle 1.1	0.472 mil
Droplet size at 3 bar, nozzle 1.1	0.591 mil
Droplet size at 2 bar, nozzle 1.1	0.748 mil
Air requirement at 3 bar per nozzle	2.83 CFM
Operating pressure	14.5-87 psi; typically 43.5 psi
Operating conditions Ambient temperature	14° F to 140° F
Noise emission of one spray nozzle at 3 bar operating pressure	77 db (A)

2 spray nozzles

2 suction filters

10 m compressed air hose

Optional transport trolley

Version with transport trolley

Quick assembly with 5 screws

Application examples

- Pest control
- Disinfection
- Potato sprout control
- Storage protection
- Effective microorganisms
- Horticulture

Pest Bird and Wildlife Control Products
