

HUDSON®

COMMERCIAL

BAK-PAK® SPRAYER

4 gallon/15 liter Polyethylene Sprayer

Available from Nixalite of America Inc, this commercial grade, 4 gallon (15 liter) Bak-Pak® hand pump sprayer is the perfect equipment for a wide variety of spray applications.

Designed and built for commercial use, the Bak-Pak line of sprayers uses quality parts and construction

to make them reliable, durable yet lightweight and easy to operate.

This sprayer uses common sense features that professionals demand. Translucent tanks so you can see solution levels; ergonomic wand design with lock-on handle features, 3 different nozzles for a wide variety of spray applications.
