

PIGNX® Caulking Gel

Deters pigeons from congregating, roosting and returning. PiGNX® is a repellent and deterrent. For use indoors or outdoors.

ACTIVE INGREDIENT:

CAPSAICIN.....	0.0357%
OTHER INGREDIENTS.....	99.9643%
Total.....	100.000%

KEEP OUT OF REACH OF CHILDREN CAUTION

See other panel(s) for additional Precautionary Statements.

EPA Registration Number: 84418-1

EPA Establishment Number: 085002-CA-001

Net Contents: 5 gallons

When PiGNX® Caulking Gel is applied according to application specifications, pigeons will not return to treated area for 30 days or longer if gel is left intact and undisturbed. Reapplications will be required on an as-needed basis in areas of high pigeon pressure where the product gel has been disturbed or removed due to foot contact by pigeons. PiGNX® is a repellent, it is not an avian toxicant.

Use as directed. Please read entire label prior to use.

5 gallon container: Apply 1 oz of PiGNX® Caulking Gel per one (1) linear foot using a ½ inch bead. Do not apply more than 10 oz of PiGNX® Caulking Gel per application (0.00357 oz active ingredient/10 linear feet). The 5 gallon container is equivalent to 56 – 10 oz tubes and can treat up to 560 linear feet when applied using one (1) oz of PiGNX® Caulking Gel per one (1) linear foot. Apply PiGNX® where pigeons most heavily roost, gather and reproduce. PiGNX® can be applied to indoor and outdoor surfaces, which include wood, metal, plastic, tile, brick, cinderblock, and cement. Typical application areas include buildings (such as rooftops, canopies, windowsills, ledges, beams, conduits, water lines, awnings, parapets, fascias, sub roofs and walls, and cooling units) and other structures (such as statues, bridges, signs, sheds, and overhangs). Apply PiGNX® at 20°F to 100°F (-7°C to 38°C). Do not apply in wet or snowy weather for best results. Installation works best when surfaces are clean and dry. Easy-to-apply when using bulk load caulking gun with follow plate.

PIGNX® Caulking Gel

Precautionary Statements

HAZARDS TO HUMANS and DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. For MSDS, contact 1-866-744-6988.

First Aid

If swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything to an unconscious person.

If on skin:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call poison control center or doctor for treatment advice.

HOTLINE

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency, call 866-744-6988 US – PST 6AM to 6PM.

Environmental Hazards:

For Terrestrial Uses. This product may be toxic to aquatic organisms. Do not apply to or allow runoff to reach lakes, streams, or ponds. Do not contaminate water by cleaning of equipment or disposal of equipment washwater or rinsate. Do not dump rinse water into sewers or other bodies of water.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in any manner inconsistent with its labeling.

Application Instructions:

5 gallon container: Use 1 oz of PiGNX® Caulking Gel for every one (1) linear foot. Lay down a continuous bead of PiGNX® Caulking Gel in a zigzag pattern using at least a

½ inch bead that will allow the pigeons to easily and frequently step on the gel (larger bead up to 1 inch is acceptable depending on treatment surface characteristics). Use as necessary to treat roosting areas to ensure complete bird dislocation is maintained. Clean and dry surfaces before application for best results. If surface cannot be cleaned before application, PiGNX® can be applied on top of soiled and damp surfaces if necessary. For best results, clean and wipe dirt from application surfaces prior to application. Do not expose yourself directly to bird feces.

1. Remove the lid from the 5 gallon container of PiGNX® Caulking Gel.
2. Place the follow plate on top of the PiGNX® Caulking Gel.
3. Using a bulk load caulking gun, seal the caulking gun to the hole in the follow plate.
4. Slowly pull caulking gun piston handle.
5. Lay down continuous bead of PiGNX® Caulking Gel in a zigzag pattern so birds will step in the gel.

Excess applied gel may be cleaned with a clean, dry rag or paper towel.

Apply to surface areas where pigeons frequent. To ensure thorough coverage, treat areas that pigeons use to roost on, such as those listed on the label.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Do not store this product above 100o F or below 20o F for extended periods of time. Keep containers tightly closed and in original containers when not in use.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If not available, dispose of in a sanitary landfill, or incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Warranty

To the extent consistent with applicable law, PiGNX® Company warrants that this product conforms to the chemical description on the product label and is reasonably fit when used in accordance with the directions for use. However, it is impossible to eliminate all risks inherently associated with the use of this product. This warranty does not extend to the use of this product in a manner inconsistent with its labeling or when used under abnormal conditions, such as adverse weather conditions and presence of other materials. These factors are beyond the control of PiGNX® Company or the Seller. All such risks shall be assumed by the Buyer.

To the extent consistent with applicable law, PiGNX® Company makes no other expressed or implied warranty and it expressly excludes and disclaims all implied warranties of fitness or merchantability for a particular purpose. To the extent consistent with applicable law, PiGNX® Company or the Seller are not liable for consequential, special, or indirect damages resulting from the use or handling of this product.

To the extent consistent with applicable law, the Buyer's exclusive remedy and PiGNX® Company's or Seller's exclusive liability, shall be limited to the purchase price of the product.
