

# Microsan™

## Anti-Microbial Soap, Lotion & Sanitizer

Use Microsan before, during and after working around contaminated surfaces.

### Microsan Soap

A high potency health care professional skin cleanser that provides residual anti-microbial protection.

- An anti-microbial E-2 rated hand and body soap. Contains 1.75% Chloroxylenol.
- Rapid and substantive 99.99% kill power effective against a variety of micro-organisms.
- Base ingredients formulated to soften and protect skin as well as prevent moisture loss from the drying effects of anti-microbial agents.
- Continued use provides residual protection.
- Available in 8 ounce pump bottles and 16 ounce refills.

### Microsan Lotion

An anti-bacterial, anti-fungal and anti-yeast hand lotion that moisturizes skin while providing residual protection.

- Contains 1% PCMX and 2% Nonoxyl-9.
- Destroys 99.99% of susceptible micro-organisms on the skin in 30 seconds or less. Provides residual anti-microbial action which retards microbial regrowth for up to 6 hours.
- Revolutionary formulation re-moisturizes skin cells to prevent drying and chapping.
- OSHA safe and effective for use under latex gloves.
- Available in convenient 4 ounce squeeze bottles.

### Microsan Sanitizer

A foaming hand sanitizer that kills susceptible germs and bacteria within 30 seconds. No water needed for effective. residual protection.

- Contains Nonoxyl-9, Ethyl and Cetyl alcohol.
- Destroys 99.99% of susceptible micro-organisms on the skin in 30 seconds or less. Completely dries in 15 seconds.
- Safe for use on any skin portion of the body. Safe for children over 6 months of age.
- No water needed. Leaves an invisible glove of protection for up to 2 hours.
- Available in 1.5 fl oz foaming pump. Perfect for purse, glove box, tool kit, etc.

Protect your work crews with the **Microsan Field Pack**. This protection pack includes 2-8 oz. soaps, 1-16 oz. soap refill and 2 - 4 oz. hand lotion containers.
