## *K-Net & Netting Cables Keep Birds Out of the Miami Intermodal Center*

Installed by: **Holmes Builders, Miami, FL**  
Arch: **Sequiera & Gavarrete, Coral Gables FL**

*When viewed from just 15 feet below, the netting and cables are very discreet.*

*Holmes Builders installed K-Net HT Bird Net to protect the open trusses, pipes and other equipment from roosting pest birds. The dark grey roof deck and black netting blended well, making the netting very discreet.*
