

**'Good Night, Sleep Tight,  
Don't Let The *Bedbugs Bite!*'**

# **STERI-FAB® Kills Bedbugs!**

## **Safe and effective protection from the bedbug epidemic**

Bedbugs are biting their way across the country! Protect family and home with Steri-Fab multi-purpose spray. Steri-Fab is proven 100% effective in killing bedbugs, mites, lice, fleas, ticks and a host of other parasites that feed on or infest the human body. It also kills disease causing bacteria that these parasites can carry and spread to people and pets.

### **Steri-Fab Advantages:**

- Safe, effective, no mixing
- Ready to use, no dilution
- Completely inert after drying
- Safe for nearly any surface

**Steri-Fab® Kills  
bedbugs, dust  
mites, ticks  
and more!**

### **Kills bugs & bacteria on:**

- Beds, bedding, clothing
- Carpets, carpet pads, rugs
- Hard surfaces & fabrics
- Concrete, steel, plastic, etc.

### **Common problem areas:**

**At home:** bedrooms, closets, bathrooms, crawlspaces, attics, pet containment areas, etc.

**Public:** hotel rooms, cruise ship staterooms, public lodging, camp grounds, public restrooms, etc

**Steri-Fab** is a ready to use liquid that can be sprayed on nearly any surface (except people, pets and cooking utensils) without fear of staining or odors. Steri-Fab is safe; after it dries (15-20 min. at room temp.) it is no longer active and becomes completely inert.

When using **Steri-Fab to kill bedbugs**, mites and other insects, spray the infested areas thoroughly and repeatedly. Direct the spray into all crevices, cracks and other hiding places. Keep all surfaces saturated for at least 10 minutes. Let all surfaces air dry and repeat the treatment.

**Steri-Fab** kills a long list of infesting insects including roaches, ants, silverfish, sow bugs, ticks, lice, lice eggs and more. It kills disease causing bacteria, fungi and viruses. It is proven effective against organisms such as Salmonella, Staphylococcus, Herpes Simplex II, Aspergillus Niger and even Athlete's Foot.

**Steri-Fab** deodorizes surfaces by killing odor causing bacteria, molds and mildews. Use only as directed. Always read and follow all directions on the Steri-Fab product label. Note: DO NOT USE in conjunction with Microcide SQ!
